

Construction Manager

Location: South East England & Home Counties (Head Office in Leatherhead)

Company: Mostrim Groundworks Ltd

Position: Construction Manager

Are you a dedicated professional with a passion for growth and respect for the craft of construction? Join Mostrim Groundworks Ltd, a leading Mid-Size Groundworks company, and become an essential part of our mission to deliver high-quality new build developments across South East England and Home Counties.

About the Role:

You will report directly to the Managing Director and play a vital role in overseeing all aspects of our construction development sites. You'll work closely with the site foreman, ensuring that projects are executed safely, efficiently, and to the highest quality standards. This is a hands-on role that requires dedication, attention to detail, and a commitment to fostering a respectful and collaborative work environment.

Key Responsibilities:

- Leadership: Motivate and support Foremen in the day-to-day running of groundworks sites; driving the work forward to a great standard on time, providing clear guidance to on-site teams regarding the contractual requirements, client needs and tasks ahead.
- Health & Safety: Assist in the inspection, management and implementation of SHEQ procedures, working with both office and site to ensure full health and safety compliance and quality are met reflecting our commitment to NHBC and our company standards.
- Record Keeping: Manage emails, and meetings, prepare and deliver programmes of work, and maintain comprehensive site records working closely with (but not limited to) the SiteDocs app, including reports, labour requirements, toolbox talks, and health and safety documentation.
- Flexibility: Be willing to adapt to changing duties, attend meetings and travel to various development sites as required.

What We Value:

- Respect: We value a work environment where everyone's contributions are recognised and appreciated. We expect our Construction Manager to foster a culture of mutual respect throughout the role.
- Dedication: We are committed to delivering the highest quality of work within the agreed timelines. Our Construction Manager will need to be dedicated to upholding these standards in every project.
- Growth: We strongly believe in continuous improvement and professional development. Our Construction Manager will be a key player in driving growth for both our business and our site workers.

Requirements:

- Proven experience in construction management, preferably within groundworks or a related field.
- Strong understanding of health and safety regulations and experience implementing these on-site.
- Ability to lead, motivate, and develop site teams.
- Excellent organisational and record-keeping skills.
- Flexibility to work outdoors in all weather conditions and travel as needed.

Qualifications:

- In Date CSCS Card
- In Date First Aid Certificate
- In Date SMSTS Qualification

Why Join Us?

At Mostrim Groundworks Ltd, we offer an opportunity to be part of a growing company where your skills and dedication will be valued and rewarded. We are committed to your professional growth and will support you in your journey to achieving excellence.

How to Apply:

If you are passionate about construction and share our values of Respect, Dedication, and Growth, we would love to hear from you. Please send your CV and a cover letter to ellie@mostrimuk.com
