

Quantity Surveyor (QS)

Location: Head Office in Leatherhead

Company: Mostrim Groundworks Ltd

Position: Quantity Surveyor

Are you a commercially minded professional with a passion for delivering high-quality groundworks projects? Join Mostrim Groundworks Ltd, a leading Mid-Size Groundworks company, and become a key player in ensuring our continued growth and success. You will have the opportunity to work on a range of projects across South East England and the Home Counties, contributing to our mission of providing top-tier construction solutions.

About the Role:

As a Quantity Surveyor, you will play an essential role in supporting the company's commercial operations. Working closely with our QS department and alongside sites and apprentices, you will ensure accurate cost management, risk assessment, and provide innovative commercial solutions to align with client needs and business goals.

Key Responsibilities:

- **Work Procurement:** Maintain and build relationships with clients, source new opportunities, and complete tenders in a timely manner.
- **Pre-Contract:** Assess tender documents, manage sub-contractor and materials supplier databases, and prepare estimates for groundworks projects.
- **Post-Contract:** Oversee contract documentation, valuations, and payments, while providing commercial advice to the site team on project strategy and issues.
- **Reporting:** Prepare monthly forecasts, cost reports, and monitor tender success rates, ensuring alignment with company objectives.
- **Contract Management:** Handle sub-contractor negotiations, site measurements, variations, and manage final accounts, ensuring projects meet financial targets.

What We Value:

- **Respect:** We value a collaborative and respectful work environment where every contribution is recognised.
- **Dedication:** We are committed to delivering excellence in every project. Our Quantity Surveyor will ensure commercial success while maintaining high standards.
- **Growth:** We encourage continuous learning and development. As a key member of our team, you'll have the opportunity to drive both personal and company growth.

Requirements:

- Degree in Quantity Surveying or a related field.
- Relevant experience in the Building and Civil Engineering industry.
- Minimum 2 years' QS experience – ideally in Groundworks
- Strong understanding of construction contracts, forms of measurement, and health & safety regulations.

- Excellent IT skills, particularly in Word and Excel.
- Commercial acumen, with the ability to work independently and as part of a team.
- Full UK driving licence and access to a vehicle.

Why Join Us?

At Mostrim Groundworks Ltd, we offer a dynamic and supportive working environment. We value your skills and dedication, and we are committed to helping you grow professionally. With us, you'll be a part of a company that prioritises respect, dedication, and growth in all that we do.

How to Apply:

If you are passionate about commercial management in the construction industry and share our values of Respect, Dedication, and Growth, we'd love to hear from you. Please send your CV and a cover letter to ellie@mostrimuk.com.
